

**Supply List for Mr. Rankin's 5<sup>th</sup> grade class.**

Hello parents,

I am extremely excited to have your student in my class for the 2023 – 2024 school year. Next year will be my 10<sup>th</sup> year with TUSD, and all of them have been spent teaching 5<sup>th</sup> grade. I am a United States Army veteran with a master's degree in special education. Teaching is my passion and I look forward to having the opportunity to help your student grow personally and academically.

Below is a class supply list that I hope all students will have as they walk through the door on the first day of school.

- Pack of pencils (mechanical or wood)
- 5 spiral notebooks
- 5 pocket folders
- 1 unique pencil box
- Pack of dry erase markers (preferably black)
- Headphones

This year, students will be using a planner to help store important information. We have the planners for the students already and are asking families to pay \$5 each to help cover the cost of their student's planner.

You are welcome to donate cleaning wipes. However, that is 100% optional.
