IV. Reports

REPORTS TO REVIEW	Principal's Report
DISCUSSION	1. HR UPDATE: Ms. Osollo reported that all positions are filled including the Structured Play Position & Monitor. Ms. Maritza has been a wonderful fit for the S.P. role! Ms. Belinda is our new monitor and is doing an exceptional job in that position. The filling of both of those positions has allowed Ms. Osollo to focus on her certified

	observations and other teacher support. We are very happy to have them on board at Gale! 2. FENCING UPDATES Once the fencing project is done, we will be able to open the double gates onto Blacksburg. The project is almost complete except for the “Candy Cane Fencing” which will line the short area in front of preschool, along the Valet line to the south corner where the overflow lot begins. They will be painted with a Teal magnetic paint that will match the rest of the school. They are scheduled to begin that installation tomorrow, 10/1, although Ms Osollo asked if they could wait until Fall Break. However, due to their busy schedules they could make no promises. 3. SAFETY UPDATES Homeless People: The issues with the homeless people in the wash near the church is being taken care of. Lock Down Drill: The Leadership Team voted to move the Lockdown drill to next quarter due to the already busy first quarter with fire drills and bus evacuations. 4. UNDESIGNATED FUNDS Kathy clarified with Carla that undesignated funds are also gifts and donations and that was used to pay for Osha Sky’s PE position and the Structured Play Position.
