August 6, 2020

Greetings Tiger Families,

Welcome to the 2020-2021 school year! This year marks the beginning of my fourth year at Gale, and I am honored to be part of such an amazing learning community. Although starting with remote learning is not ideal, it is the unwavering dedication of our teachers and staff, coupled with strong family partnerships, that will ensure the success of our students. By now, you should have received a welcome letter from your child's teacher, along with a Remote Learning Schedule. To minimize confusion and disruption to the education of our students, our Remote Learning Schedule mirrors our Face-to-Face Learning Schedule. Therefore, it is important that you support your child by establishing similar weekday routines while they are learning from home. Each day have your child get ready for school as they would during a typical school day (get dressed, eat breakfast, brush teeth, etc.). Then have your child move to their learning space for their school day.

As always, we are equally committed to the safety and wellbeing of our students and staff and thus, ask that you adhere to COVID-19 protocols when picking up devices and materials. More details regarding sanitation and procedural protocols can be found in the TUSD Reentry Plan. The Gale Reentry Plan will be approved and posted on our website in the coming week. Please check out the Gale website at gale@tusd1.org and NextSteps2020@tusd1.org for resources and weekly district updates. Since our community celebrated Gale's 50th Anniversary in January of 2020 and has a rich tradition of family engagement events, it is also with a heavy heart that I remind you that parent visitors and or volunteers are not allowed on campus at this time. This is a big adjustment to our usual welcoming and collaborative culture but again, founded in an abundance of caution for the safety and wellbeing of our students and staff.

Should you need assistance or have any questions, please do not hesitate to call our office at 731-4500, 731-4502, or you may reach me on my direct line at 731-4504. Thank you for your continued support as we begin our new school year. I am confident the strength of our staff, parents, and community will help us face this challenge and succeed!

In Service,
Ms. Osollo, Principal

TUSD
